Sonstige:

The Kinderladen is a parent-organized association. This means that the organizational tasks must be taken on by the parents alone. These tasks include, for example, board work, head of staff, parent representative, treasurer, security officer, janitor, public relations, etc

**In which area would you most like to contribute your skills?**

## KINDERLADEN PURZELZWERGE

Are you willing and able to invest your free time to reliably complete the tasks that arise (parental services, above-mentioned tasks)?

Yes

Only conditionally/hardly, because:

What do you particularly like about the concept of a Kinderladen?

The pedagogy of the Kinderladen endeavors to respond to each child individually. What expectations do you have of the Kinderladen? What do you want for your child? What is important to you?

What are your working hours?
